This matter comes before the Public Service Commission of South Carolina (the Commission) on the Motion of the Office of Regulatory Staff (ORS) to rescind Commission Order No. 2007-902 issued to Brian K. Maxwell DBA Charleston Area Transportation Services ("CATS") (Maxwell or the Applicant) as the result of the failure of the Applicant to comply with certain rules of this Commission. By Order No. 2007-902, dated December 18, 2007, Maxwell was granted authority to operate as a motor carrier in South Carolina under a Class C Charter Certificate of Public Convenience and Necessity.

In Order No. 2007-902, the Commission directed the Applicant to file, or cause to be filed, with the ORS the proper license fees, proof of liability insurance, and other information required by S.C. Code Ann. Section 58-23-10 et seq. (1976), as amended, and by 26 S.C. Code Ann. Regs. 103-100 through 103-241 (Supp. 2007) of the Commission's Rules and Regulations for Motor Carriers, and 23A S.C. Code Ann. Regs. 38-400 through 38-503 (Supp. 2007) of the Department of Public Safety's Rules and

Regulations for Motor Carriers, within sixty (60) days of the date of the Order, or within such additional time as may be authorized by the Commission.

Further, Order No. 2007-902 instructed Maxwell that the failure to either complete the certification process by complying with the requirements of filing with the ORS proof of appropriate insurance, payment of license fees, and such other information required by law within sixty (60) days of the date of the Order or to request and obtain from the Commission additional time to comply with the stated requirements, may result in the Applicant's authorization being revoked.

By Motion filed May 6, 2008, ORS requests rescission of Order No. 2007-902. According to ORS, Maxwell has not filed Form E, evidencing proof of liability insurance nor requested an extension of time. As a result of Maxwell's failure to provide to the ORS proof of insurance, ORS states that it has not issued a Certificate of Public Convenience and Necessity to the Applicant and requests that the Order No. 2007-902 be rescinded for the Applicant's failure to comply with the terms of the Order.

After consideration of ORS' Motion, the Commission is of the opinion, and so finds, that its previous Order No. 2007-902 granting Maxwell authority to provide motor carrier services should be rescinded.

IT IS THEREFORE ORDERED:

1. That Commission Order No. 2007-902, dated December 18, 2007, granting authority to Brian K. Maxwell DBA Charleston Area Transportation Services to provide motor carrier services under a Class C Charter Certificate of Public Convenience and Necessity is rescinded.
